SHERMANITE

PUBLISHED BY THE CLASS OF 1965
SHERMAN CENTRAL SCHOOL
SHERMAN, NEW YORK

Handwritten note at the bottom of the page:
The Sherman Central School is a public school in the town of Sherman, New York. It is one of the best schools in the state.

FOREWORD

The Senior Class of '65, as we publish the Shermanite, extend our sincerest gratitude to those who have given their time, knowledge, and advice in supporting and encouraging us through the years. As we graduate from Sherman Central, each of us will take with us fond memories of pleasure and determination in successfully completing our elementary and high school education.

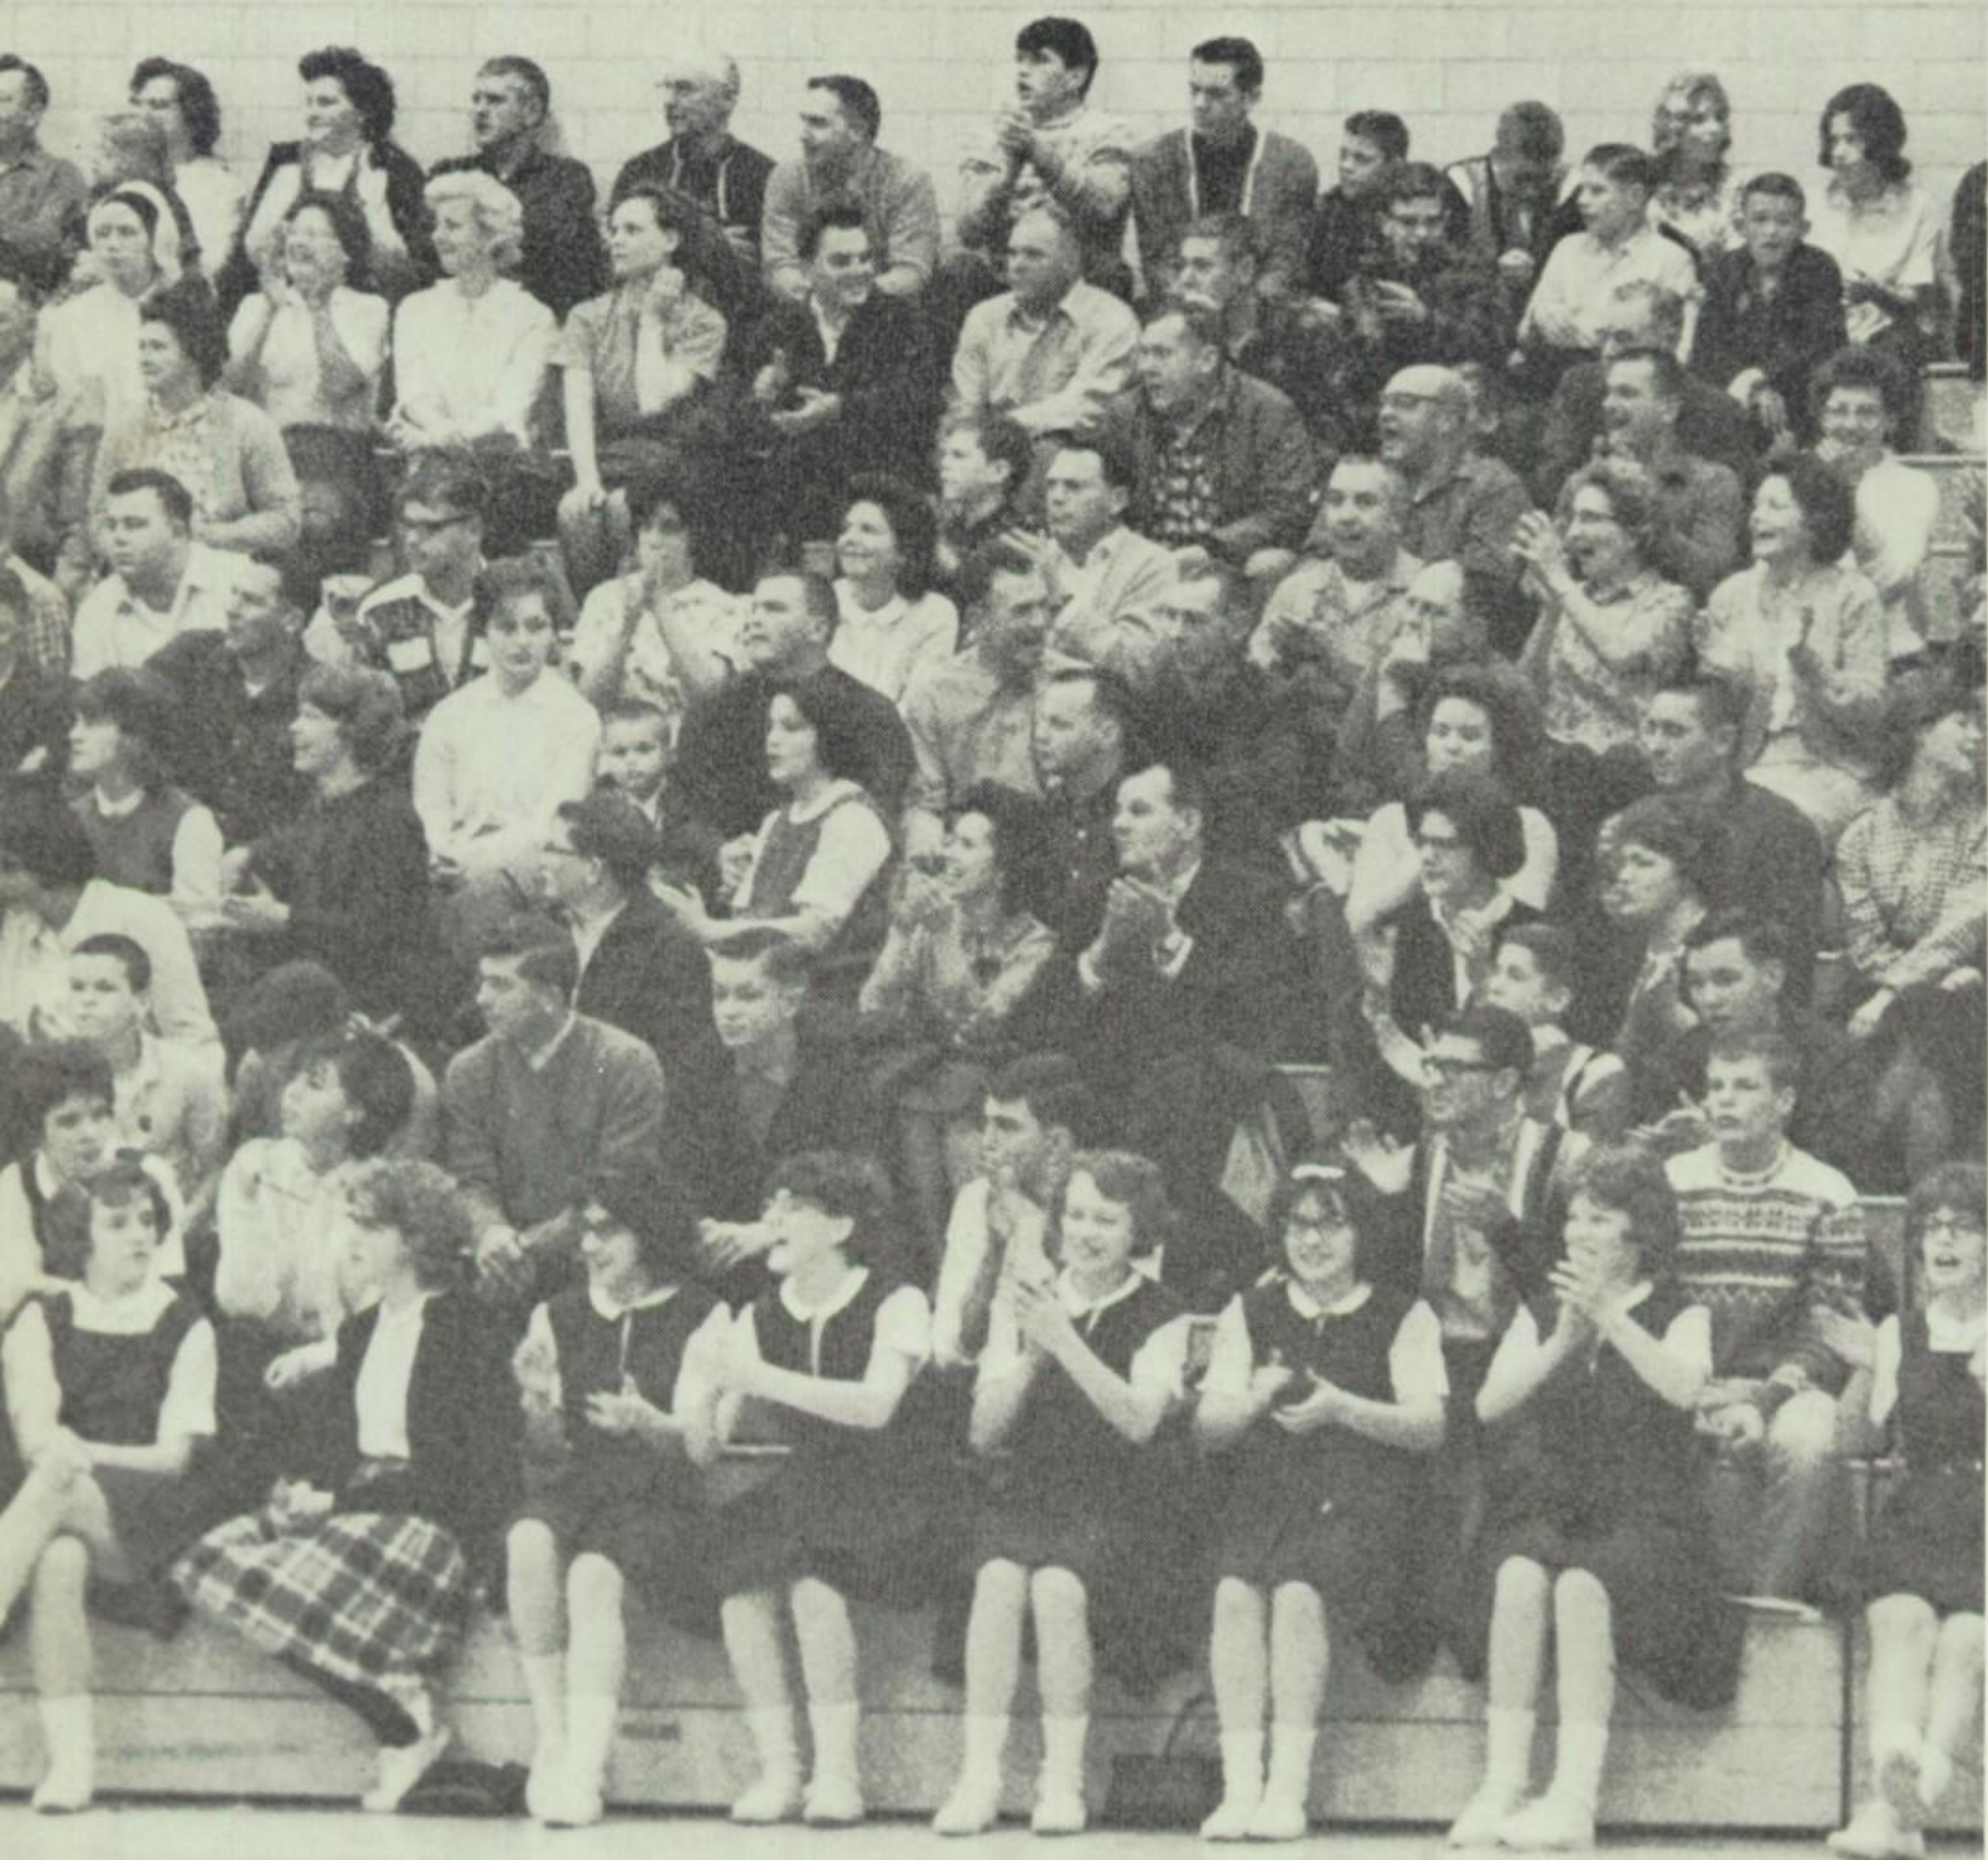

ALMA MATER

Dear old Sherman High, we love the blue
and gold you're flying.
Through the years to be, 'twill ever tell
of love undying.
And in the class or on the field, we'll
give you honor victory.
All hail to thee, our alma mater Sherman
High.

Go!!
CHAMPS

DEDICATION

The public of Sherman has a great deal to do with the success of each class that graduates from S.C.S. The people attend activities from dinners to plays to games, contributing to the success of each class.

Almost every individual, organization, and business establishment has had a part in helping our class succeed throughout our years in Sherman Central School. The churches of the area have instructed us in the spiritual aspects of life, have encouraged us to live according to the commandments of the Bible. The administration and faculty of the school have strived to give us a liberal education that will be conducive to our lives vocationally and socially. The village merchants and businessmen have cooperated with us in many ways to help us achieve our goals financially. Each individual of the town has responded to our activities and projects with enthusiasm and kindness, making our efforts worthwhile.

To express our gratitude for helping us to attain success, the Class of 1965 wishes to dedicate the Shermanite to those groups and individuals who have had a part in helping us.

*Best wishes
to one of my best
students. Good
luck Ruth and
smile!

CLASS ADVISORS, 1964-65--Mr. Bickel, Mr. Leffingwell.

*Best wishes
C.C. Leffingwell*

IN APPRECIATION

Mrs. Haines

Without the advice and cooperation of our class advisors, we would have had a long and difficult battle to attain our goals through the last four years in high school.

Mrs. Haines was with us during our first three years of senior high school. She assisted and encouraged us in getting started, and her ideas for projects and activities were very helpful to us.

Upon the leave of the advisors of our Junior year, Mr. Leffingwell and Mr. Bickel graciously accepted the request of advising us during our Senior year.

The class of 1965 extends sincere appreciation to Mrs. Haines, Mr. Bickel, and Mr. Leffingwell for everything they've done for us.

AFS EXCHANGE STUDENTS

My year in the United States and in Sherman will serve as a memory the rest of my life. It has been an honor to my parents, my town, Koronadal, and my country, to send me here as one of their ambassadors of good will. With that purpose I have tried my best to expound to you the feelings of my people, the customs, traditions, ideals and creeds which make up their lives, to explain the history, the economic, political and social affairs of my country in comparison with your own. At the same time I tried to perceive your customs and

Virgilio Garingo

practices, to live by your laws and regulations; as a result I have found out that you are the kind of people whose goals and characters differ from ours in some aspects. However, I do understand the differences between your ways and mine.

In addition to the virtues I have absorbed from you, I am proud and happy for Sherman's having me for a year. I thank Mr. and Mrs. Nelson Jones for their good care, unselfish motives, and honest dealing which they have showed me. I also wish to thank the Shermanites for their enthusiasm in supporting the AFS Program, the AFS committee as a whole, my classmates and friends, the faculty members, and my beloved Alma Mater, to which I owe a successful and fruitful year.

Now I must return to my country to tell them about Sherman and the United States. Before I bid farewell, I say, "I am proud of Sherman. I may not ever see you again, but be assured that I, your humble friend and student, will always remember you all."

Farewell,

Virgilio Garingo

I would like to take this opportunity to thank all the people in Sherman, especially the AFS Committee, for helping to make my past summer in Germany possible.

I lived in Bremen, Germany, with Herr and Frau Koester, my two brothers, Karl Heinz and Hans, and Irmhild, my sister.

Through this experience I feel I have learned a great deal about the German people and in turn given a little more insight to the American way of life.

I hope Sherman will always be a part of this wonderful organization and do our part for good will among countries.

NATIONAL HONOR SOCIETY

Membership in the National Honor Society has become recognized nationally as one of the highest honors that can be bestowed on a high school student. It represents the fundamental objectives for which schools are instituted and given recognition to those who have obtained most nearly the desired ends. Other honors at disposal of school are only partial in the sense that they recognize specialized ability, skill, or talent; but this society looks upon education as a total product measured by four dimensions of life, leadership, character, scholarship, and service.

STUDENT COUNCIL

Our Student Council provides learning experiences for students in development of good citizenship, as well as providing a climate conducive to the intellectual, physical, social and moral development of every member.

Some of the main objectives of the Student Council are:

To develop good citizenship attitude and practice.

To promote good relationships.

To provide a forum for student expression.

To promote scholarship.

Best Wishes
and Good Luck
Kathy Spinks

This year's club consists of thirty-two students from the seventh grade to the seniors in high school. Undoubtedly, the library, the school, and the students would suffer greatly without the services of the library club. They are part of our school's unsung heroes. They are highly responsible students who sacrifice their free time to be of service to their fellow peers.

Best wishes
now and for
years to come

BOY'S STATE AND GIRL'S STATE

I had the privilege of being the one from Sherman sent to Boy's State in the summer of 1964. It was one of the most rewarding weeks of my life. It gave me a chance to meet many different boys and to learn how the United States government functions.

Phil Harvey

It was truly a privilege to represent the American Legion Auxiliary, Norton-Raspas Post 58, at the 1964 session of Girl's State at Elmira, New York.

Spending a week with 300 girls from all over New York State is an experience I will never forget. We did everything from electing our own state government to having all night parties.

I hope that in the future, girls will take advantage of this wonderful opportunity offered to them.

FOOTBALL CHEERLEADERS

"To be seen, but not heard," is certainly not the motto to apply to our Football Cheerleaders.

Energy, agility and extremely good lungs are their most reliable assets. Our Cheerleaders are responsible for the encouragement of our men on the field and for the release of the emotional enthusiasm of the spectators to spur our team on to victory.

Dear Ruth
Best of luck in the future years keep up
the good work. Remember all the fun we
have had playing & working together! (Life can
be wild)
Love always

FOOTBALL--1964

The Sherman Wildcats opened their season with a 26-0 loss to the powerful Panthers of Pine Valley in a non-league game. Offensively, the passing of Martin to Harvey and the running of Eimers were the bright spots; defensively, Brumagin and Eimers were outstanding.

Leading 13-12 with 2 minutes to play, Forestville fired a 35 yard pass for a TD. Forestville kicked off to Sherman who fumbled and their man scored as the game ended. After a scoreless first half, Peck took a fumble out of the air and raced 60 yards for a TD; Forestville scored again; Sherman scored another TD and an extra point in the closing minutes of the game. Yaiko, Brumagin, and Harvey led in the tackle department.

The Wildcats defeated Clymer 32-7. In the first quarter, Fortune recovered a fumble on the 13 yd. line, and Alday, Yaiko, and Peck played their parts for a TD. Passes to Wiggers and Jaggi brought the ball to the 19 yd. line where Humphrey scored, and a pass Humphrey to Wiggers was good for the extra point. Harvey then scored a TD, and a pass VanVolkenburg to Fortune was good for extra point. Martin passed to Harvey for a TD and in the closing minutes, Martin passed to Peck for a 75 yd. TD. Stansbury and DeMeyre led in tackle department.

On a really cold night, Sherman dropped a non-league game to Brocton 26-7. Brumagin, Stansbury, and Martin led in the tackle department.

FOOTBALL

Sherman's offense bogged down and Ripley upset Sherman 7-0. The only score was a 65 yd. run by Utegg; five would-be Sherman tacklers having a hand on him. Stansbury, Brumagin, and Alday led in the tackle department.

Undefeated Panama, the league Champs, were tied by Sherman 6-6. Two other potential touchdown passes were dropped by the Wildcats. After a scoreless first half, Peck intercepted a pass and ran for the TD. In the fourth quarter, Panama worked the ball to the one yd. line where Scolton scored the TD. This was their only spot of offensive life. In the tackle department, Brumagin, Peck, Stansbury, Stoddard, Alday were outstanding.

Good blocking and the running of Yaiko and Peck, who was moved to the backfield, was the key to a 32-6 victory over Frewsburg. Stansbury and Brumagin led in the tackle department.

In the final game of the season, Sherman scored a 20-18 victory over the stubborn Mayville Eagles. At the quarter, the score was 6-6. In the second quarter Peck scored a TD. A pass Martin to Fortune was good for extra point and a 13-6 half time lead. Mayville marched to 27 yd. line where a pass Whitney to Blanchard scored the TD. Yaiko and Peck runs and a pass to Fortune took ball to 1 yd. line, where Peck scored. An extra point was scored for a 20-12 lead. Mayville gained another TD but failed to score the extra point.

BASKETBALL--1963-64 (COUNTY AND SECTIONAL CHAMPS)

Through determination and driving desire of our basketball squad, the Sherman Central School was presented the title of Champs for 1963-1964. This squad of boys was well rounded in personality as in physical size. Our starting team at times was well over six foot. With a good starting five and an excellent bench reserve, there was no doubt to the capabilities of the team. Our sincere congratulations and gratitude to this fine team of young men.

BASKETBALL--1964-65

We, as a team, continued the winning streak from last year's squad and extended it to 17 games. Oddly enough it started after losing to Forestville in 1964 and ended with a loss to Forestville in 1965. As of the last game, the team now has a record of 12 wins and 3 losses, with an excellent chance of entering the sectional play-offs in second place. Our squad consists of six seniors: Phil Harvey--Co-Captain, Gary Martin--Co-Captain, Ken Stoddard, Jim VanVolkenburg, Jim Kochanowski, Joe Yaiko; four juniors: Ron Peck, Tom Stoddard, Dean Matteson, Chuck Swartzman; and one sophomore, Fred Fortune. With our changed and improved attitude towards winning, we as a team will prove to be successful.
